New HackMIT Shirt Design Revealed

In a recent press conference with Jennifer Zhang, Dictat-I mean Director of HackMIT, along with her henchma- I mean assistant, Lucia Liu, released the HackMIT shirt design. It was thus rendered in B&W instead.

The Case of Ben Reynolds, 2E Detective vs. Mother Earth - Part 1

In this story, we follow Ben Reynolds in his quest to uncover the mysteries of the Great San Francisco Earthquake of 2015

"Exhibit A: Tree is diagonal"

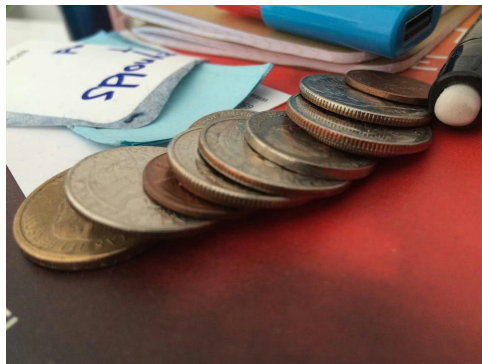

"Exhibit B: Pole on right is diagonal too. Suspicious."

"Exhibit C: Sign is on ground. Signs shouldn't be on ground."

"Exhibit D: Leaf is on ground. It is the summer. Not the fall."

"Exhibit E: Stack of coins is knocked over. I may have knocked those over before, but there is no proof. Therefore, it may have also been the earthquake."

"Convinced yet? I'll collect more evidence to strengthen the case..."

Justin Loses Tooth. Embarrassing!

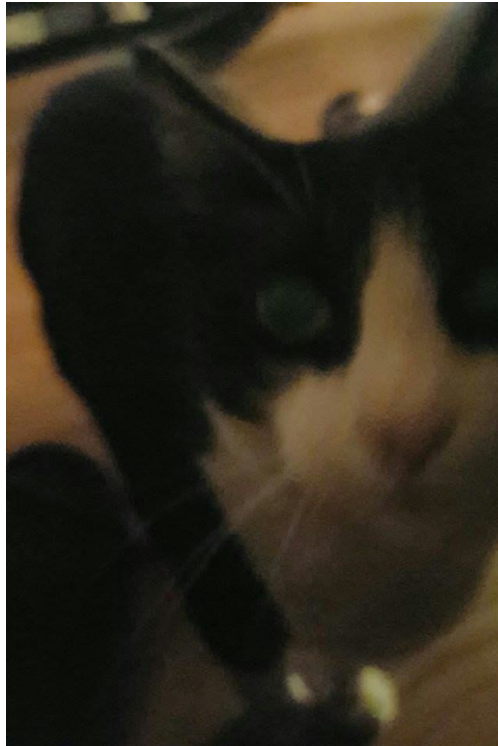

Look at it. Just disgusting! Rumors say that this fate befell him right before a Tinder date, and she then cancelled out of disgust and never spoke to him again. According to Justin: "I'm not bitter.. :(". Justin went on to say that it was a direct result of biting into beer-battered bread. If there is a lesson here, it is to stay away from beer. Alcohol is bad children. And also to never be like Justin. He is creepy.

Will Sends Too Many Pictures of Cats

While at home avoiding his UROP duties over the summer, Will Reyes, hoarder of 15 cats, decided to send pictures of his cats to renowned 2E forum, "Spammy Spam". Every. Day. It was very annoying.

Look at this. Who wants to see this? Not me.

We get it Will!

Is this even legal???????????

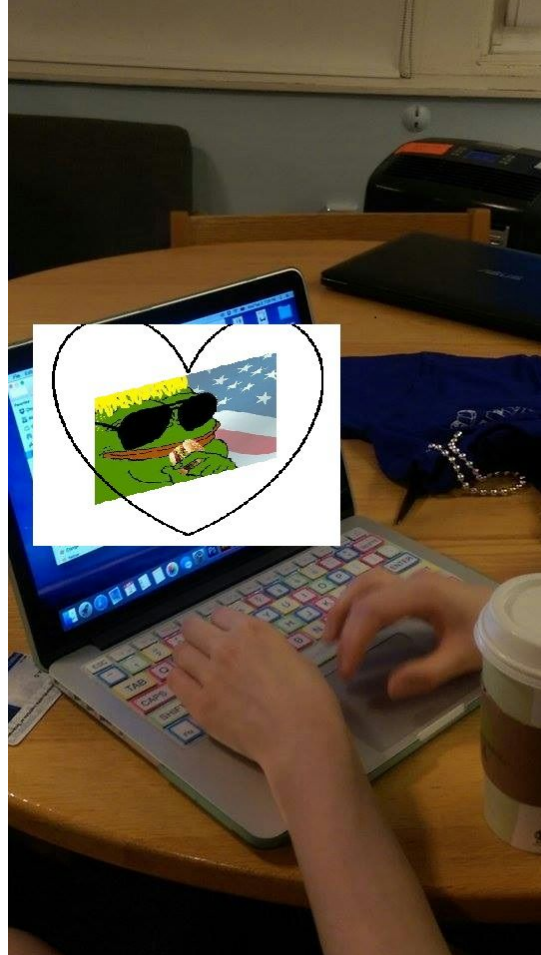

Anyway, thankfully the pictures stopped, once Will came back to Boston.

What Is Eman Thinking About?

Look at him. Lost, deep in thought... What could he possibly be thinking about? Perhaps all the tasks he must do for REX, as an Exec member of Next House? Or maybe about the deep meanings of mathematics. Or perhaps how to most efficiently blow up Edward Snowden's air mattress, in case famed whistleblower decides to be a fugitive in Next House. Who knows?

Eman and Justin Open Ramen Stand: RaBOIZ

"WOW! This is the best food I've ever eaten. Definitely the best event at REX ever. I'm so glad I found this stand; without it I would feel empty. Or at least, my stomach would."

2E Sets Up Lounge for Cult Initia - I mean First Meeting

2E sets up their lounge in a ritualistic manner to prepare for sacrific- i mean DANCE PARTY!!! :DDDDDDDD As new members begin to join the organization of 2 East, we must induct them by chanting "Two East Before Blood" repeatedly. After that, we begin the ritua - Dance party.

Look, they're dancing! This isn't a sacrificial ceremony! No, Clare and Erin aren't engaged in a fist fight, and Eman is not tomahawk chopping the people in front of him in a savage manner! Just dancing :)

Will Looks On Disapprovingly At Justin's Choice of Restaurant

For Restaurant Week in Boston, Justin decided to take Will to Club Cafe for a fancy dinner. Already suspicious, Will was dismayed to find out that Club Cafe was, in fact, a gay club. Not that there is anything wrong with being gay, but Will was just not into Justin. Not after he lost his tooth that one time. Better luck next time, Justin!

First Meeting of the 2E 5:30 Dinner Club

In a serious meeting of the 5:30 dinner club, members of 2E come together to discuss their serious plans for the semester. We see Michael Chang plotting, Manuel and Will in serious discussion, and Bennett moved to tears. Everyone looks so serious! Except for Ben. He's giving Will bunny ears.
