HACKMIT IS LOVE. HACKMIT IS LIFE.

## HACKMIT IS HUGE SUCCESS

HackMIT 2014 is shown here, being a huge success. Look how many people there are! They are there due to the success of HackMIT, and the complete superiority of TechX and the HackMIT team. We, the HackMIT hive mind, are totally an awesome organization of superior nature to the rest of the world. We even bought really nice, fancy and soft black North End jackets with the HackMIT logo embroidered on it by our slaves- good friends at North End. The people here are having fun, hacking away. We totally aren't brainwashing them by implanting hacks into their computers and draining their brainpower by making them code endlessly for hours and hours.

## A Bunch of Tools and Myself at HackMIT

Pictured here are a bunch of dumb people forcing me, Jennifer Zhang, to pose with them. THEY DON'T EVEN KNOW HOW TO SPELL HACK! No, they think this is KVCH MIT. What does KVCH mean?! And they have the dumbest fashion sense.

## HackMIT Team Cool as F\*\*\*

Look at the HackMIT team, we are so cool we are standing on this horizontal tree. How do you even make a horizontal tree they grow vertically???? I do not know because I hack and I don't grow trees.

Now, you're probably wondering where your usual 2E tabloid writers are...

I HAVE THEM TIED UP AND AM KEEPING THEM HOSTAGE!!!!11one!eleven!!!6  
AHAHAHAHAHAHAHAH!!!!

Look at these fools pleading for their lives. This is what they get for writing such dumb things as the tabloid!!!! Thanks, Muscle Boy, for helping tie these dummies up.
